Subject : ORDER DIRECTING STAFF TO LIST PAST CONDITIONS OF CERTIFICATION FOR
CONTRA COSTA, UNIT 8 (00-AFC-1)

In accordance with the July 31, 2000, Order Directing Staff to List Past Conditions of Certification, staff has compiled a list of all conditions of certification, by subject matter, for the last four certified plants.

The attached report presents those conditions that are identical or similar and could be characterized as "standard" conditions. As a result of conference with the hearing officer it was determined that this would be the extent of the response required by staff to fully comply with the order.
